

**Note:** Each service court is 15' (4.6m) long and 10' (3m) wide.

## Net Specifications

(Specifications listed below are from the USAPA/IFP's *Official Tournament Rulebook* and from USAPA/ASBA recommendations.)

- **Material.** The net may be made of any open, meshed fabric material. (See Chapter 7 for more on net materials.)
- **Net Size.** With net posts placed 12" outside the sidelines, the net length shall be at least 20' (6.1 m). The width of the net, from bottom to the top of the net, shall be at least 2.5' (0.8 m).
